Assemblin's Annual and Sustainability Report for 2022 is now published

The public Annual and Sustainability Report describes Assemblin's operations, strategy and performance for the fiscal year 2022, and is now available as a digital version at our webpage.

Besides the legal Annual Report the publication includes a sustainability report as well as a corporate governance report. The structure of the sustainability report is new and has been adapted to the international reporting format GRI 2021.

The report is published in Swedish and English at our webpage at:

English version: <https://www.assemblin.com/investors/financial-reports/>

Swedish version: <https://www.assemblin.com/sv/investerare/finansiella-rapporter/>

The Annual Report is also available as a printed version which can be ordered via email to kommunikation@assemblin.se.

About Assemblin

Assemblin is an end-to-end installation and service partner with operations in Sweden, Norway and Finland. We design, install and maintain technical systems and solutions for air, water and energy. Our vision is to create smart and sustainable installations that make buildings work and people feel comfortable. We make this possible through close local collaboration and are supported by a strong organisation. We have annual sales of SEK 13.5 billion and about 6,900 dedicated employees at more than 100 locations in the Nordic region. Read more at assemblin.com.
