

Press release 27 May, 2024  
07:00 CET

## **Assemblin brings forward publication of its interim financial information for Q1 2024 as well as the subsequent webcast to 30 May, 2024**

**The date for Assemblin's publication of its interim financial information for Q1 2024 (January – March) has been moved from 31 May to 30 May at 08:30 CET. The report will be followed by a webcast for investors at 10:00 CET.**

### **Publishing the Report and briefing material**

The Report as well as briefing material will be released on the company's website at <https://www.assemblin.com/investors/financial-reports/>. After the webcast, a recording of the webcast will also be published there.

### **To access the investor webcast**

The investor webcast (in English) is held by Assemblin's President and CEO Mats Johansson together with CFO Philip Carlsson, who will present and comment on the Interim Report.

To access the webcast, use the following link (please register in advance):

### **About Assemblin**

Assemblin is an end-to-end installation and service partner with operations in Sweden, Norway and Finland. We design, install and maintain technical systems for air, water and energy. Our vision is to create smart and sustainable installations that make buildings work and people feel comfortable. We do this through close local collaboration supported by a strong organisation. We have annual sales of approximately SEK 14.7 billion and 7,000 dedicated employees at more than 100 locations in the Nordic region. Read more at [assemblin.com](http://assemblin.com).

**About Assemblin Caverion Group (from 1 April 2024)**

Assemblin Caverion Group is a leading northern European technical service and installation company. The Group employs nearly 22,000 skilled professionals in 10 countries, sharing the passion for smart and sustainable solutions. We deliver installations, technical services and solutions along the full lifecycle of the built environment to support our customers and their increasing demand for energy efficiency, sustainability, and automation for buildings, infrastructure and industrial sites. Assemblin Caverion Group was formed in April 2024 through the combination of Assemblin Group and Caverion Corporation. Our combined revenue amounts to EUR 3.8 billion.
